WHAT TO DO

“I have garlie or a szgar constantly in my mouth...”

“They say vinegar is the best to keep the body open”

“Fill an iron pot with a layer of charcoal and brimstone”

Before, During, and After

- **Before:** What does Caspar do to prevent **himself** from getting yellow fever?
 - Hint: Does Caspar take anything in particular to defend himself from yellow fever?
- **During:** What does Caspar witness when his mother is sick?
 - Hint: Who takes care of Caspar's mother?
- **After:** What does Caspar do after his mother's death to get rid of yellow fever left in the room?
 - Hint: What does Caspar do to clean the room after his mother dies?

We are as yet blessed with health thro
great mercy - tho my small family grow very
anxious -

We are as yet blessed with health thro
great mercy — tho my small family
grows very anxious.

manner - fill an iron pot with layers
of Charcoal & Brimstone, light a fire
on the top with a few chips & it will
burn slowly several hours filling the
room with a suffocating smoke -

Fill an iron pot with layers of charcoal and brimstone, light a fire or the top with a few chips and it will burn slow by several hours filling the room with a suffocating smoke.

I have not been in the
Room nor do I intend it. I have been near the Door & spoke to
her twice & have Garlick or Segar constantly in my Mouth
besides using the Vinegar & Salts
so that the fees I am not quite so bad in these respects

I have not been in the Room nor do I intend it. I have been near the Door and spoke to her twice and have garlick or segar constantly in my mouth besides using the vinegar and salts. So that thee sees I am not quite so bad in these respects.

our mother
is tenderly nursed by 3 black. one of them is an excellent person: the
Drs are here now: she has little or no fever: but cold all over: ~~over~~

Our mother is tenderly nursed by
3 blacks, one of them is an excellent person; The doctors are here now: she has little to no fever; but cold all over.

The Haines Family
